

Says

What have we heard them say?
What can we imagine them saying?

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

if project
tells about
talent
management

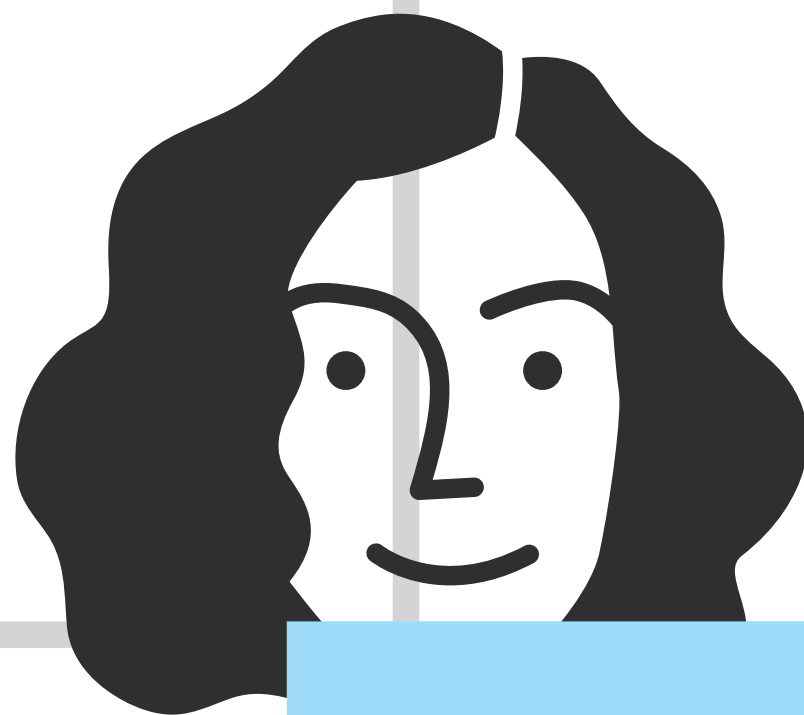

it has
inovative
idea in
project

the project
develop the
skills and
project ideas

the tableau is
aframework
designed and
talent
management

the project is
very benefit
and
developmeent
skills

it is very
useful to us
and develop
our
knowledge

mahalakshmi

this data is
also used to
predict the
potential
growth

it consists of
realtime data
visualization such
as bar charts and
pie charts

it is very
interesting
